

SITE PLAN  
of  
CHERRY HILL

**1. Cherry Hill mansion**

**2. Shed.** Built in the early 1900s for the Rankin children's chickens. Later used as storage for garden tools & supplies.

**3. Site of a building foundation.** Perhaps corner of a "Wood House," dated 1790s-1890s, where wood was stored and there was an outhouse or "necessary."

**4. Upper Garden.** Site of formal flower gardens, lawn ornaments & vegetable garden.

**5. Peony beds.** Peonies are known to be at Cherry Hill since at least 1910. These beds date to the 1930s.

**6. New Garden.** Started 1985. Likely the site of a kitchen garden, clothes lines, & a dog yard.

**7. Site of early 1900s walkway** connecting sidewalk to upper driveway & front door.

**8. Remains of well** used in the 1800s.

**9. Reconstructed Arbor.** Original built by Rankins 1913-1960.

**10. Reconstructed Garden Temple,** Believed to have been built using old well cover, 1930-1954.
