

Passengers on the Hudson River

My name is (passenger name): _____

My job or position is: _____

My stay on the sloop was (check one):

_____ very comfortable _____ kind of comfortable _____ not comfortable

The length of my trip to New York City was (check one):

_____ Short...It was less than a week! (0-4 delays)

_____ Average...It was 10 days (5-9 delays)

_____ Long...It was more than 2 weeks (10+ delays)

What was the most interesting thing that happened to you on your trip – either up or down river?

In the 1700s many passengers who traveled on the river kept a journal describing their trip. Why are these travelers' descriptions so valuable to us today? What can we learn from what they wrote?

Hint: We used old journals in Historic Cherry Hill's collection to make this game!
